**Members Present:**

1	Dr. T. Jaya Chandra Prasad	Chairperson
2	Dr. M. Santhi Ramudu	Member Management
3	Dr. D. V. Ashok Kumar	Member
4	Dr. P. V. Gopi Krishna Rao	Co-ordinator
5	Dr. B. Rami Reddy	Member
6	Dr. D. Satyanarayana	Member
7	Mr. M. Siva Kumar	Member
8	Dr. V. Naga Bhaskar Reddy	Member
9	Dr. K. Subba Reddy	Member
10	Dr. N. Ravi	Member
11	Dr. G. Srinivasulu	Member
12	Dr. K. V. Suryanarayana Rao	Member
13	Dr. Syed Althaf Hussain	Member
14	Dr. R. Hanuma Naik	Member
15	Dr. P. Sudharshan Reddy	Member
16	Mr. A. Nanda Kishore Kumar Reddy	Member Industry
17	Mr. Shuvra Shankar Kundu	Member Industry
18	Srikanth Sajja	Member - Auditor
19	Mr. P. Jitendra Kumar	Member - Alumni
20	Mr. J. Basaiah Swamy	Member - Alumni
21	Mr. L. Bhupal Reddy	Member - Local Body
22	Mr. A. Mohan Sai	Member - Student
23	Miss K. Divya	Member - Student
24	HoD's of All departments	Invitees

At the outset Dr. P. V. Gopi Krishna Rao, Co-ordinator, Internal Quality Assurance Cell welcomed Dr. T. Jayachandra Prasad Principal of RGM CET and Chairman of Internal Quality Assurance Cell, and Hon'ble members of

the Internal Quality Assurance Cell to the first meeting of the IQAC for academic year 2022-23.

Next, the agenda items were taken up for discussions with the permission of the Chair.

**Item No 1: Review of previous meeting minutes and ratification**

Ratified the previous meeting minutes

**Item No 2: To discuss revised Annual Quality Assurance Report (AQAR)**

NAAC has revised the Guidelines for Submission of Annual Quality Assurance Report (AQAR) for autonomous Institutions. The revised guidelines came into existence effect from 1<sup>st</sup> July 2019. The submission of AQAR report is only through online mode. The Co-ordinator, IQAC has presented all the points are covered in the new format of AQAR to the benefit of Heads of the Departments and members of Internal Quality Assurance Cell. All the members of IQAC felt that the new format is more significant than old format.

**Item No 3: To discuss Academic Audit Modalities**

The monitoring and evaluation of the institutional processes require a carefully structured system of internal and external review. In view of the above, the NAAC has recommended undertaking a continuous Academic and Administrative Audits (AAA).

**Academic Audit:** - Academic audit can be understood as a scientific and systematic method of reviewing the quality of academic process in the institution. It is related with the quality assurance and enhancing the quality of academic activities in the Institution. Director, IQAC has presented the objectives of our institution to all the members. The objectives of an Academic Audit are:

- To understand the existing system and assess the strengths and weakness of the departments and to suggest the methods for improvement and for overcoming the weaknesses.
- To identify the existing academic and administrative mechanisms and to identify the opportunities for academic and administrative reforms etc.,
- To enhance the academic integrity, transparency, accountability and participation of stake holders among the activities of department
- To evaluate the optimum utilization of resources.
- Internal Audit modalities are presented to all the members of IQAC is enclosed.

**Item No 4: To discuss plans about NIRF-2023 as a Quality Initiative for 2022-23**

The committee has reviewed the following:

- National Institutional Ranking Framework (NIRF) parameters for ranking the Institutions
- Methodology is reviewed such as, Data collection and Data capturing,
- Online Feedback System, Data verification and validation procedures.
- Discussed about the procedure for computing of scores and rankings and also discussed about additional insights such as teaching, learning and resources, research and professional practices and rank order correlation across parameters.

**Action by:** It was decided that IQAC will prepare a roadmap for the departments and all the Heads of the Departments will ensure necessary action towards next NIRF-2023 ranking.

**Item No 5: How to incorporate participate learning and entrepreneurship skills.**

It is resolved to incorporate more practical exposure to students through incorporation of projects as part of mandatory learning from third year of course for UG students and conduct ideathons, hackathons, business meets and also encourage students to participate in various national level events in the similar domains organised by various organisations.

**Item No 6 & 7: Making internships mandatory, Collaborative activities for promotion of interdisciplinary culture.**

Internship play a significant role in shaping the student understand the work culture, nature of expectation from organisations and skills needed to hone to be competitive. It is decided to have collaborations with AICTE, EduSkills for internships in thrust areas as Artificial Intelligence, Amazon Webservices, PauloAlto etc.

It is necessary to expose faculty to be hands on and advent with new technologies, which is possible through collaborative activities with industry, research organisations and funded projects. Training faculty for consultancy work, applying for grants from various organisations, formation of research groups is essential. It is decided to achieve all these through MoU's, Consultancy activities etc.

**Item No. 8: Any other item with permission of chair**

The discussion was carried out regarding conduction of online classes along with physical classes to students to manage the time loss caused due to

**RAJEEV GANDHI MEMORIAL COLLEGE OF ENGINEERING & TECHNOLOGY  
(AUTONOMOUS)**

COVID pandemic, how to engage students and make offline and online classes meaning full. It was also decided to have a dedicated online platform for handling classes which automatically monitors the student's involvement.

Chairman announced the conclusion of the meeting. The meeting ended with vote of thanks by Director, IQAC

**Dr. P.V. Gopi Krishna Rao**  
**Coordinator – IQAC**

Lr. No: RGM CET/IQAC-3/2022-23

Dt: 02/04/2023

**Internal Quality Assurance Cell (IQAC)**

**Minutes of Meeting**

Ref: Lr. No: RGM CET/IQAC-3/2022-23

Dt: 02/04/2023

The second meeting (29<sup>th</sup> in total) of IQAC for academic year 2022-23 was held on 04/03/2023. The following work was transacted in this meeting.

**Action taken report on the proposal of 26<sup>th</sup> Meeting**

Dr. P. V. Gopi Krishna Rao, IQAC coordinator presented action taken report on the Completion of pending syllabus and conduct of continuous evaluation tests through offline and online mode to engage students and engaging the faculty and the students without stress.

**Completion of pending syllabus & conduct of examinations**

The IQAC coordinator mentioned in his presentation that, the pending syllabus for even semesters of UG & PG including MBA and MCA for the academic year 2021-22 were completed using online platform using CODETANTRA to make up the loss off offline classes.

The comprehensive viva-voce and Project Viva-voce for Final year UG students was conducted through Codetantra online platform as well as offline as per the guidelines of JNTUA.

As JNTUA did not accept for conduction of online examinations, the midterm (internal) end semester (external) exams for the even semester of the academic year 2021-22 are scheduled offline keeping COVID guidelines.

Dr. K. Subba Reddy, suggested conduction Lab sessions physically in order to adhere to practical exposure to the students and also make use on online open source tools to enhance the skills further.

**Engaging the faculty and students post COVID Lockdown through offline and online courses**

Dr. P. V. Gopi Krishna Rao said that the institution utilised the college closure period due to lockdown by efficiently engaging both students and faculty to enhance their skills through value addition courses through Coursera and

**RAJEEV GANDHI MEMORIAL COLLEGE OF ENGINEERING & TECHNOLOGY**  
**(AUTONOMOUS)**

NPTEL online courses. They completed the courses on higher education, new technologies, thrust areas and skill development relevant to industry and employment and research.

**NIRF Ranking:**

Dr. K. V. Suryanarayana Rao detailed the performance of RGM CET in various parameters of NIRF. In addition to this, he stressed on the areas where there is scope for improving the NIRF ranking. In this context, a detailed comparison with peer institutions was presented.

The following parameters were identified, in which is required for better ranking in NIRF

- Number of Ph.D faculty
- Ph.D scholars admission
- Number of publications, quality publications, patents & research projects
- Placements, salary package & Higher studies
- Support to economically/ socially challenged students
- Perception
- Financial resources and their utilization
- Encouraging the internal faculty to complete their Ph.D & recruiting the faculty with PhD qualification from outside.
- Motivating the faculty to take up maximum possible research activity resulting in publications in Web of Science (WoS)/ Scopus, patent filing, Research projects and Consultancy activities.
- Placements with higher package and higher studies
- Supporting economically/ socially challenged students further.
- Taking measures for improving perception through constituted committee
- Allocating possible improvement in the budget for 'Financial resources & their utilization'.

**ATAL rankings of Institutions on Innovation Achievements (ARIIA)**

Stress was made to improve the performance and work on various parameters of ARIIA. The members identified the following areas to strengthen the innovations in the institution.

- Starting few more pre incubation centres and strengthening the existing incubation centres in partnership with industries at the department level.
- Establishment of incubation centre at institute level

**RAJEEV GANDHI MEMORIAL COLLEGE OF ENGINEERING & TECHNOLOGY  
(AUTONOMOUS)**

- Establishment of Co-incubation partnership with the outside incubation centres
- Identification of investors to our innovations and start-ups
- Creation of webpage with IIC icon in RGM CET web portal
- Applications for financial support from ATAL funding for higher education.
- Involving alumni to establish innovation centres in the campus.
- Encouraging the students to participate in SMART hackathons for improving the chances of getting internships in famous companies like Google, Intel, Robert Bosch, HCL etc.

**E-Content development – Recording/Lecture capturing facility**

Dr. Brahmanada Reddy, Professor EEE, Dr. K. Subba Reddy, Head, CSE talked about the existing facilities for E-Content development and necessary steps planned for improving it in the college. Codetrantra the tool that is being used for teaching classes can also be used for recording the classes.

The suggestion of the members for going for professional (paid) version of Google classroom for recording the lectures delivered by faculty through google meet, to overcome the number of participants limitation and to avoid network disturbances was achieved.

Dr. K. Muralidhara Reddy, suggested to utilize the virtual labs developed by IIT consortium Under the National Mission on Education through ICT.
