ABOUT RGM COLLEGE OF ENGG. & TECH.

The college was established in 1995. It has been setup with an aim of achieving technological excellence through innovation and with a motto of "EDUCATION for PEACE". It is approved by AICTE and accredited by NBA, New Delhi, NAAC of UGC with 'A+' Grade, New Delhi, and Affiliated to JNTUA Ananthapur. Conferred Autonomous Status from UGC. This was one of the three best performing private Engineering Colleges of AP and was selected to participate in World Bank Aided, Govt. of India's Technical Education Quality Improvement program. This was the first private Engineering College affiliated to JNTU at U.G and P.G levels. College has secured 11 prestigious Gold Medals including the gold medal for the best outgoing of all branches of all Engineering Colleges of JNTU in Andhra Pradesh. 19 batches are graduated from this college so far. The institute possess excellent infrastructure and instructional facilities to cater the needs of all program offered and to carry out the research work.

ABOUT INFORMATION TECHNOLOGY

Department of Information Technology has started functioning from 1998 with an intake of 40 students and with the growing demand for Information Technology graduates the intake has been increased accordingly to offer Bachelor of Technology in Information Technology. Department has grown gradually both in terms of intake and teaching & research. The Department is committed to produce well-trained IT graduates. This department has received twice ISO certification, AICTE accreditation twice, and accredited by NAAC with 'A+' Grade. As part of the curriculum the department offers C#&.NET and SAP-ABAP for the students Industry-ready. The unique feature of the department is that the students have taken challenge to work on parallel programming on the crazy equipment like Sony Play station, Beowulf Cluster, NVIDIA & AMD graphics cards along with the suitable programming tools.

Contests

- Paper Presentation
- Programming & Web design contest

Authors are encouraged to present papers in the listed areas

Topics:

- Cloud Computing
- High Performance Computing
- Cyber Security
- Data Science & Big Data Analytics
- Artificial Intelligence
- Internet of Things
- Image Processing
- Machine Learning

&any other innovative streams

Instructions to Candidates

1. Eligible for all B.E/B.Tech and M.Tech students
2. Paper shall have a maximum of 2 authors
3. The Paper should be in the IEEE format
4. The Paper should not exceed 10 pages
5. Send the soft copy as an attachment to rgmitprasthan@gmail.com and rgmithod2015@gmail.com
6. Last date of receiving the papers is on or before **28th February 2018**.
7. Selected authors should pay a Registration Fee of Rs 150/- per Head on the day of the event at the time of the registration.

Venue:

The Program will be held at Conference Hall (CIVIL Gallery), Rajeev Gandhi Memorial College Of Engg & Tech (AUTONOMOUS) Nandyal
