Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

VISION: To become the choicest institute of technology and a hub of academic and industrial research and development.

MISSION: To provide conducive academic ambience, excellent infrastructure, continually updated lab equipment and committed and scholarly faculty to realize the vision of the college.

6.2 Does the Institution has a management Information System

The information regarding the details of all faculty, staff and students has been computerized and the required data shall be retrieved in the form required and as and when needed.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

Required inputs will be taken from various stake holders like companies that visit for placements, experts that visit the college on various occasions, alumni, etc. these inputs are discussed at length in BOS and finalized appropriately.

6.3.2 Teaching and Learning

Lesson plan will be prepared in every course and instruction will be delivered adhering to the academic plan. Lesson diary is recorded in the class students' attendance register. Details of students who have presented their seminars is also recorded in the attendance register of the respective course.

6.3.3 Examination and Evaluation

Two internal examinations and an end University examination is conducted every semester and the college being an autonomous institution designs the schedule. Both internal and external valuations are adopted for every subject.

6.3.4 Research and Development

An exclusive research and development cell is set up and functioning actively. The cell provides all the necessary guidance by suggesting various funding agencies that provide financial assistance. It encourages applying for externally funded research projects. It also calls for in-house also projects, scrutinizes and recommends for sanction. This has increased the research activity and increased the quality and quantity of research publications.

6.3.5 Library, ICT and physical infrastructure / instrumentation

The library has a collection of good number of books meeting the requirement of students and faculty. New titles and volumes of text books are added every year continuously, by allocating required budget to procure books and journals.

Information and Communication Technology has been made an integral part of teaching learning process by converting some of the conventional class rooms into e-class rooms. These rooms have been equipped with LCD projectors, digital boards and audio systems.

All the departments and divisions are continuously appended with additional physical infrastructure regularly when ever required and also based on the inputs taken from the stakeholders through feedback.

6.3.6 Human Resource Management

Additional and more qualified faculty have been required to improve quality of teaching.

Guest lectures and invited talks are arranged for both faculty and students to give exposure to new and up-coming technologies.

Additional technicians have also been recruited to assist faculty dealing with laboratory classes and also maintenance of equipment in the laboratories.

6.3.7 Faculty and Staff recruitment

Faculty and staff are recruited as when required. Recruitment is generally taken up before the beginning of the academic year through open advertisements by notifying the requirements.

6.3.8 Industry Interaction / Collaboration

The region is industrially under developed and therefore the scope is limited. In spite of that the institution is making its best efforts to tie up with them by signing MoUs helping each other. The college has collaborations with half a dozen out-side institutions.

6.3.9 Admission of Students

Admission policy is made by the State Government and the college has a limited role to play in it. While filling the 30% quota of management seats to make more transparent:

1. Ample publicity is given in all local news papers calling for applications from all the aspiring students.
2. Admission process is automated partially and is completed as per the schedule.

6.4 Welfare schemes for

Teaching	03
Non teaching	04
Students	02

6.5 Total corpus fund generated: Not applicable.

6.6 Whether annual financial audit has been done Yes No

6.7 Whether Academic and Administrative Audit (AAA) have been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	No	NA	Yes	Faculty
Administrative	No	NA	No	NA

6.8 Does the University/ Autonomous College declare results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

Question Paper generation is automated which picks up question from every chapter/unit of the syllabus. The strength of the questions is uniformly distributed with no ambiguity.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

University gives freedom to design academic calendar to deliver instruction, conduct examinations and also declare results.

The institution is given freedom to revise the scheme and regulations as when required.

The institution is given autonomy to have its own courses under electives as demanded from time to time.

6.11 Activities and support from the Alumni Association

The college has a registered Alumni association and functions actively. It is involved in:

1. Giving inputs in design of curriculum.
2. Supports in providing internships and projects to students.
3. Extends support in providing training to students giving them exposure to up-coming changes in technologies.
4. Helps the students in providing training to students for placements by conducting mock interviews, etc.
5. Association meetings are conducted regularly both within and also outside the country.

6.12 Activities and support from the Parent – Teacher Association

Participation of parents is not much in design and delivery of curriculum. They are continuously kept informed about the progress of their wards by communicating with them through their mobile phones and also writing e-mails when ever deems necessary.

6.13 Development programmes for support staff

Training programmes are conducted on regular basis either by the faculty of by college or the technical people from the equipment / instruments suppliers to up-grade their skills in handling and maintaining them in laboratories.

Adequate training and instructions are given on regular basis particularly when ever laboratory curriculum is changed meeting the requirements.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Adequate greenery has been developed to add aesthetics and improving the ambience.

Rain water harvesting has been initiated to protect environment.

Adequate publicity is given on the campus to bring awareness among all students and faculty about conservation of environment by saving power.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

A three day orientation programme for all the students that join first year B.Tech. Programme has been initiated. The first three days they are exposed to awareness program enlighten them with need for social awareness, physical training, yoga and meditation, fine arts and culture, etc. this changed the attitude of the students and created a positive impact and brought a remarkable change in the students.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The progress on the objectives set for that year has been reviewed periodically and ensures its Compliance. Action is initiated at all levels to save time and to get all necessary clearances and to make it fulfilled.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. One Day Orientation for newly admitted students giving awareness about Professional Engineering Program.
2. 5-10 minute presentation by students in every course and in every semester is made mandatory.
3. Last minute paper: Feedback of the class for the teacher for improving the class

7.4 C

Adequate green belt is developed.

World's International Ozone layer Day, etc., are organized and these opportunities are utilized to bring awareness about Environment.

Anyway students study Environmental studies as course in their curriculum and learn adequately about need for the environmental awareness.

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

1. Efforts would be made to apply and get sanction with more funded research projects.
2. To improve the quality of research work by increasing the number of publications.
3. To increase the number of industry internships encouraging students to take-up live projects.

8. Plans of institution for next year

1. To append laboratories with some latest equipment matching with the needs of the industry and society.
2. To increase research activity further.
3. To try for more funded research projects.
4. To recruit few senior faculty to strengthen human resources in the institution.
