CIRCULAR

Sportsman spirit in an individual is an important aspect along with the academics. We at RGM CET have been insisting on it and in order to bring out the spirit in the students it's been a customary culture to organize RGM Premier League (RPL) an inter departmental sports festival once in every two years. The time has arrived for another season of RPL - 2022, which will be organized on **12th, 13th and 14th March 2022**.

For the smooth and successful organization of the sports festival RPL – 2022, the following committees are formed. The members are informed to be present at the venue and see the proceedings until the event is completed.
