ABOUT RGM COLLEGE OF ENGG. & TECH.

Rajeev Gandhi Memorial College of Engineering and Technology, Nandyal was inaugurated on 09.03.1996 by Late Sri P. V. Narasimha Rao, the former Prime Minister of India and Sri N. Chandrababu Naidu, the former Chief Minister of Andhra Pradesh. It is the dedicated commitment and effort of our Chairman, the man with vision “Vidyarathna” Dr. M. Santhiramudu, who started the institution with a motto “EDUCATION FOR PEACE & PROGRESS”. This institute is one of the top engineering colleges of Andhra Pradesh. The institute has got permanent affiliation from JNTUA Anantapuramu. It has been conferred Autonomous status by UGC in 2010 and has upgraded the curriculum and regulations as per the needs of the industry 4.0 and society from time to time. All the UG eligible Courses in the institute are accredited four times by NBA and recently in Tier-I category. The institute has also got accredited by NAAC with A+ grade. The institute has been accredited by TCS for placements and training. The institute has DSIR (Ministry of Science and Technology) recognition for the exemption of excise duty for the research equipment procured. It was selected for the World Bank assisted TEQIP-1 for quality improvement. The institute is ISO 9001- 2015 certified. The Jawahar Knowledge Center of the institute has been awarded as the best JKC center twice by the Government of Andhra Pradesh for highest campus placements.

The Institute offers number of Skill Development Programs and has been sanctioned the Deen Dayal Upadhaya KAUSHAL Kendra under Ministry of Human Resource Development (HRD). The institute has been recognized as SIEMENS INC “Technical Skill Development Institute” (TSDI) by Government of Andhra Pradesh in association with APSSDC in 2016, apart from establishing two CM's Skill Centers in 2018. In order to make every student industry ready, pursue

higher education and research, there is a constant effort to work in coordination with the alumni – who frequently visits the campus and deliver talks to create awareness about the requirements of the industry and being employable. On a continuous basis this institution is embarking on a journey towards excellence in quality education and research.

ABOUT CIVIL DEPARTMENT

The Department of Civil Engineering in RGM CET is a well established department in terms of infrastructure facilities viz., class rooms, state of the art laboratories, highly qualified faculty, a lot of academics activities such as seminars, conferences, workshops, expert lectures, invited talks, etc., are conducted often apart from intensified research in various domains of Civil Engineering. The department possesses well qualified and experienced senior professors and teaching faculty who all can lead the students to become knowledgeable and competent engineers in their professional careers. Students of Civil Engineering have selected for Build Indian Scholarship (BIS) Organised by L&T. The department was started in the year of 2008 at present with an intake of 120 in B.Tech and M.Tech in Computer Aided Structural Engineering with an intake of 18. Any aspirants who wish to study B.Tech or M.Tech course in RGM CET can feel proud that the level of education is on par with highly reputed technical institutions in India.

ABOUT TRACE

TRACE is the proposed National level student technical symposium, it is the platform where the student can present their innovative skills. Every year TRACE invites the participants from various Engineering college all over the country to the various competitions and trainings. This year, TRACE-2K24 is again back with a bang of exciting competitions.

EVENTS:

TECHNICAL EVENTS:

- PPT Rs. 100/-
- Poster Rs. 100/-
- CADD Quest Rs. 100/-
- AICTE Parakh Rs. 100/-
- Model Making Rs. 100/-
- Layout Marking Rs. 100/-
- Coding Competition Rs. 150/-

NON-TECHNICAL EVENTS:

- Jenga
- Chess
- Carroms
- Cultural
- Tug of War
- Movie Mania
- Treasure Hunt
- Technical Stalls
